RECONSTRUCTION OF TERMINAL GROUYNE AT NORTH PROMENADE, CLEETHORPES

MARINERS ARE WARNED that reconstruction works at North Promenade, Cleethorpes will commence on 05 May. The works will involve demolition of timber groynes and the removal of the navigational aid. This will be replaced by a rock structure projecting 70 metres from the sea wall, 15 metres wide, with a 40 metre head furthest into the river.

All demolition and construction works are to be accessed via land.

The works will take approximately 10 weeks and when completed the structure will have two navigational aids with characteristics to be confirmed.
