BLACKTOFT JETTY - REFURBISHMENT WORK

NOTICE IS HEREBY GIVEN that commencing Monday 12 September 2016 (or as soon after as circumstances permit) and continuing for a period of approximately two weeks refurbishment works will be carried out at Blacktoft jetty.

During the refurbishment the crane barge “**COLLINGHAM**” (LOA 43.8m) will lay alongside the jetty with the works being carried out during daylight hours only, mostly over the LW period. The “**COLLINGHAM**” will return to Goole at the end of each day.

MARINERS ARE ADVISED to exercise care and caution in the area and to make early contact with “**COLLINGHAM**” on the appropriate VHF channel before approaching the site as slow speed may be required. During the period of refurbishment there may be restricted access to the berths at Blacktoft, please liaise with the ADM Goole giving sufficient notice to make alternative arrangements should the berth be unavailable.
