

# NOTICE TO MARINERS

No. H. 115/2017

## RIVER HUMBER

### HUMBER SEA TERMINAL TO HUMBER INTERNATIONAL TERMINAL - SEABED SAMPLING OPERATIONS

**NOTICE IS HEREBY GIVEN** that commencing Tuesday 05 September (or as soon after as circumstances permit) and continuing for three days, seabed survey operations will be carried out at sites shown on the diagram below.

The 12 metre catamaran survey vessel '**PRECISION 1**' will be engaged in the works which will be conducted three hours either side of the afternoon High Water periods. The vessel will have a grab submerged during each operation which will restrict vessel manoeuvrability.

The '**PRECISION 1**' will exhibit the lights and shapes prescribed by the International Regulations for Preventing Collisions at Sea and will maintain a listening watch on VHF Channels 16, 12 and 14.

**MARINERS ARE WARNED** to exercise care and caution in the area and to give the '**PRECISION 1**' as wide a berth as possible, passing at the SLOWEST POSSIBLE SPEED to avoid creating a wash.

**CAPT. A. FIRMAN.  
HARBOUR MASTER, HUMBER**

04 September 2017
