
NOTICE TO MARINERS

No. H. 29/2017

RIVER HUMBER

GREEN PORT HULL / VICTORIA DOCK WATERFRONT

NOTICE IS HEREBY GIVEN that on Sunday 12 March 2017 (or as soon as circumstances allow) for a two hour period over low water, a small intertidal survey operation will be carried out between the Western extremity of Werner Quay and Victoria Dock Basin.

The hovercraft '**INSPECTOR B**' will be engaged in the work and will mobilise from Hull Marina. The '**INSPECTOR B**' will liaise with VTS Humber throughout and will adjust operations to avoid conflict with river traffic where necessary.

The craft will exhibit the lights and shapes prescribed by the International Regulations for Preventing Collisions at Sea and will maintain a listening watch on VHF channel 12.

MARINERS ARE WARNED to navigate this area with caution whilst the inspection is taking place and pass at reduced speed to avoid creating a wash.

**CAPT. A. FIRMAN.
HARBOUR MASTER, HUMBER**

09 March 2017

THE INTERNET

In order to widen communication between ABP Humber Estuary Services and those with an interest in the estuary, you are invited to visit our website which carries a wide range of information, including current live weather and Buoy positions, charts, tidal information and copies of this and other Notice to Mariners.
