

(No. S.H.16)

RIVER HUMBER

USE OF VHF CHANNEL 17

In order to limit the disruption of important communications during berthing and sailing operations on the river berths in the vicinity of Immingham Dock, **MARINERS ARE ADVISED** not to use VHF Channel 17 for shipboard operations such as reporting ullages, soundings, pipe connection, etc.

**CAPT P P HAMES
HARBOUR MASTER, HUMBER**
