

(No. S.H.27)

RIVER HUMBER

POSITION OF MOORED FLOATING MARKS

The attention of Mariners is drawn to the fact that the moorings of floating navigational marks vary from 30 metres to 100 metres in length.

Due allowance should be made for the length of moorings and the height and direction of the tide when navigating in the vicinity of all floating marks.

**CAPT P P HAMES
HARBOUR MASTER, HUMBER**
