# NOTICE TO MARINERS

---

No. H. 72/2024

## RIVER HUMBER

### SKEFFLING EMBANKMENT LOWERING AND BREACH WORKS

**MARINERS ARE ADVISED** that from 17<sup>th</sup> June for a period of approximately 11 weeks existing flood embankments are being lowered, over a length of approximately 1.5 miles, to the level of the existing foreshore at Skeffling as part of the managed realignment scheme.

The embankment lowering and breach will be along the existing flood embankment between 53°39'04"N, 000°01'33"E and 53°38'38"N, 000°04'03"E.

All works will be completed using plant which will access the site from the landward side and no marine craft will be used.

**CAPT. A. FIRMAN**  
**HARBOUR MASTER, HUMBER**

14<sup>th</sup> June 2024

THE INTERNET

In order to widen communication between ABP Humber Estuary Services and those with an interest in the estuary, you are invited to visit our website which carries a wide range of information, including current live weather and Buoy positions, charts, tidal information and copies of this and other Notice to Mariners.
